

## Memorandum

Date: 9 Jumada II, 1438H (8 March, 2017)  
To: All Department Chairmen  
Subject: **Standard Class Timings**

Please find attached the list of standard class timings that will be effective starting First Semester, 2017-18 (171). You are kindly requested to schedule all the courses accordingly.

The timings are standardized to optimize utilization of university resources, alleviate conflicts in student schedules and to avoid discrepancies. They will remain same throughout the year (no 20 minute advancement in second half of fall semester classes).

However, should there arise any pressing need to overlook the standard times while scheduling a course, department must send their request to registrar along with concrete justification. We will do our best to accommodate the request.

We greatly appreciate your understanding, cooperation and assistance.

Thank you
